

AMBASSADOR
REPUBLIC OF INDONESIA
BANGKOK

I was deeply saddened to learn that Dr. Babatunde Osotimehin, the Executive Director of the UN Population Fund (UNFPA) and Under-Secretary-General, passed away on 4 June 2017.

The passing of Dr. Babatunde has great lost for the world. I understand that during his tenure at the umbrella of UNPFA, Dr. Babatunde was tireless dedicated his life for serving the people's health and well-being, especially women, girls and youth, by pressing more affordable and accessible maternal health and reproductive health care services for millions of women in the world.

At this mourning time, on my personal's behalf and the Embassy of the Republic of Indonesia in Bangkok, I wish to extend our deepest condolences and sympathy to Dr. Osotimehin's family and the colleagues at UNFPA and to all those around the world touched by this loss.

Please accept the assurances of my highest consideration.
