### REVISION 2:

#### Terms of Reference

#### Company to organise events and PR activities for The 4th TICA Connect: Five Decades of Thailand and UNFPA partnership: Advancing towards Sustainable Development Goals (SDGs)

**Deliverable Timeframe: 20 July – 24 August 2018**

---

#### Background:

The United Nations Population Fund (UNFPA) has worked in Thailand since 1971. In 1972, UNFPA and the Royal Thai Government (RTG) started the collaboration under South-South Cooperation. The cooperation has addressed Thailand's support to other developing countries in achieving the SDGs focusing on sharing its expertise and success in maternal health, family planning, sexual and reproductive health (SRH) and other population and development related policies. Along the past decades, the cooperation has demonstrated a number of the prominent result supporting the sustainable development as intended by Thailand to exercise the South-South cooperation as a pathway for the economic and technical advancement in the region. In the next decades, UNFPA and Thailand see that the structural investments in South-South cooperation will lay a good basis for expansion and sustainability of initiatives between Thai institutes and foreign counterparts. In this light, the 4<sup>th</sup> TICA Connect is the platform to celebrate the successful cooperation in the past decades and to explore the new areas of cooperation and partnership in the decades to come.
