Way Forward: Innovation

Digitalised platforms for life-cycle approach 2022-2026

Progress of ICPD PoA

- **Positive policies and ministerial budget commitments** supporting SRHR for young people
- **Digitalised SRH services** for young people, 'Teen Club' official Line account
- **Co-financing from private sector**, up to \$14.3 millions in the next 5 years, to UNFPA to work toward zero unmet need for family planning and zero GBV against women and girls
- **Thailand as champion** for safe motherhood through SSTC
- **Safe Birth for All** project for vulnerable ethnic women and girls during COVID-19

To ensure SRHR access to knowledge and services by all young people including **vulnerable groups** and youth with disabilities.

To ensure **access to GBV prevention and response services** by women and girls esp. at the sub-national level.

To ensure **life-cycle approach** to population ageing and active ageing through digitalised platforms.

To enhance **intergenerational relations**.
